Aurora, ON L4G 6H8

Dear Mr. Feroze Bacchus,

It is with heartfelt gratitude that I write to you.

Thank you for the donations of paint, vanities, faucets and even a door knob.

These items help us beautify our home and keep our costs down as budget constraints would have necessitated postponing some renovations and touch-ups.

Please, pass along our thanks to your suppliers, homeowners etc. who have contributed as well.

Sincerely,

Sr. Ellen O'Neill
Director Environmental Services
